

## Sliding Scale Discount

### Qualifications

- ☎ Patients may be eligible for a 5-10% discount depending on your total household income.
- ☎ Income range discounts are given based on the total combined household income of the patient.
- ☎ Bring us a copy (or mail / email) a copy of your **Proof of Income (1040 form)**. Paperwork will then be reviewed internally to determine if your household is eligible. **We must have this approval from our building controller before the discount will apply.** Plan accordingly, this process may take 1-2 weeks. This form will determine your discount level.
- ☎ Forms must be reviewed annually.

### Military Discount

- ☎ Patients may be eligible for a military discount of 10%
- ☎ Military discounts require proof of a **Military Service ID** or **Military Veterans ID**.

### Policy

- ☎ The income ranges are derived from the income distribution quantities provided by the US Census Bureau, while taking into consideration both average income of Vermont residents as well as the estimated income levels of our current patients. Income ranges are represented as slightly lower than the national income ranges to provide an even greater discount.
- ☎ Discounts cannot be combined

Annual Household Income	Discount %
\$0 - 16,000	10%
\$17,000 - 24,999	7.5%
\$25,000 - 33,000	5%
\$34,000 +	0%
